

EVINRUDE.

TERMS AND CONDITIONS

BRP 5 YEAR (STANDARD 3 + 2) EXTENDED LIMITED WARRANTY PROGRAMME

(offered only through BRP European Distribution SA and its authorised BRP dealers for Evinrude® outboard engines* sold to residents of the European Union and countries listed below for recreational use only**)

SPECIAL CONDITIONS

This Extended Limited Warranty Programme adds 24 months of BRP Limited Warranty coverage beyond the standard 36 month BRP Warranty (limited to 750 hours whichever occurs first) applicable to Evinrude outboard engines provided these Special Conditions are met:

QUALIFICATION

A qualifying Evinrude outboard engine must be purchased by an EU resident or by a resident of one of the countries listed below. **The Evinrude outboard engine must be warranty registered to that resident FOR RECREATIONAL USE ONLY** (demo units are included) by an authorised BRP dealer or BRP OEM business partner on or after September 27, 2010.

Qualifying Evinrude outboard engines include all new and unused Evinrude engines of model year 2010 and newer. Accessories, gauges and rigging components and related parts are not included in this Extended Limited Warranty Programme.

Demo units that were registered by an authorised BRP dealer upon invoicing by BRP will be eligible for this programme provided all other conditions apply.

INSPECTION/SERVICE/MAINTENANCE

The BRP specified pre-delivery inspection process for the Evinrude outboard engine **MUST BE** completed and documented (see your BRP Service booklet – Service Records section) by your authorised BRP dealer.

The service intervals and maintenance recommendations for the outboard engine **MUST BE** adhered to including the specific maintenance recommendations in the applicable BRP Operator's Guide. This includes all recommended inspections and maintenance performed by an authorised BRP dealer during and following the initial 36 month BRP Limited Warranty period.

Use in salt water and heavy use require specific maintenance and more frequent inspection as outlined in the applicable BRP Operator's Guide. For some components an **Annual inspection performed by an authorised BRP dealer is mandatory.**

ONLY an authorised BRP dealer can perform the recommended routine, servicing/maintenance requirements and repairs. All services (including winterisation and pre-season inspection) must be recorded in your Evinrude logbook by your authorised BRP dealer. BRP reserves the right to request maintenance records to ensure qualification for this programme.

ONLY BRP Evinrude certified parts, oils and lubes must be used for service and repairs of the Evinrude outboard engine during the entire eligible period for this programme to apply. BRP certified parts may include BRP new or remanufactured parts and components. BRP reserves the right to repair or replace any warranted unit in its sole discretion. The standard BRP Limited Warranty for service parts and accessories applies and is not extended through this programme.

Improper maintenance and/or use of parts and accessories not manufactured or approved by BRP will cancel this Extended Limited Warranty programme. This may also affect your rights under the standard BRP Limited Warranty.

MODIFICATION/ALTERATION

Evinrude parts and outboard engines that have been modified or altered from their original production configuration are **NOT ELIGIBLE** for this BRP Extended Limited Warranty Programme and shall disqualify an Evinrude outboard engine from continuation in this programme.

All conditions, including those in the applicable Evinrude outboard engine BRP Operator's Guide, in the standard BRP Limited Warranty and in these Special Conditions shall apply.

PLEASE REFER TO YOUR BRP OPERATOR'S GUIDE FOR FULL TERMS AND CONDITIONS OF THE STANDARD BRP LIMITED WARRANTY AND PROPER PERIODIC MAINTENANCE ROUTINE.

**The MFE, 65-Commercial and 90-Commercial engines are excluded from this programme.*
